YESHIVA FOR
WORLD JEWRY

49th Anniversary
National Dinner

Sha'alvim is a unique comprehensive educational community in Israel with an enrollment of over 2,500 students and a faculty of 120 teachers.

Its Israeli students combine military training and active service with intensive Torah studies.

Yeshivat Sha'alvim's Moty Hornstein Institute is consistently recognized for its high level of Torah learning and quality of students.

Sha'alvim serves Jewry in Israel and around the globe, developing and providing rabbinic and lay leadership who are committed to the Land and People of Israel.

Sha'alvim for Women (SFW), a mere six years since inception, is recognized as a leading Seminary for American and other overseas students.

This year we will celebrate a special tribute to its achievements and looking towards future accomplishments.

Your generous gift strengthens Torah in Israel and facilitates Torah growth through out the world.
